

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

MIAMI DIVISION

NEPA WHOLESale, INC., a Florida
Corporation,

Plaintiff,

v.

ALL GOODS XPRESS, LLC, a Florida
Limited Liability Company,

Defendant.

Case No: 1:23-cv-24085-XXXX

**COMPLAINT
JURY TRIAL DEMANDED**

Plaintiff, NEPA WHOLESale, INC., a Florida Corporation, by and through undersigned counsel, brings suit against **Defendant**, ALL GOODS XPRESS, LLC, a Florida Limited Liability Company, and as grounds would allege:

1. This action is being brought by **Plaintiff** to put an end to **Defendant's** wrongful dissemination and distribution in the United States (including in this District) of "HQD CUVIE" vape products/electronic cigarettes that are *not* intended for distribution inside the United States and, perhaps more importantly, that interfere with **Plaintiff's** exclusive right to distribute the "HQD CUVIE" vape products/electronic cigarettes in the United States.

2. On or about September 5, 2020, **Plaintiff**, a high end distributor of vape product/electronic cigarettes throughout the United States and in certain jurisdictions around the world, entered into an exclusive and evergreen distribution agreement with Shenzhen Hanqingda Technology Co., LTD., a manufacturer from China, for the exclusive sale and distribution of the "HQD CUVIE" vape products/electronic cigarettes throughout the United States. See copy of Exclusive Agency Sales Contract attached hereto as *Exhibit "A"*.

3. As part and parcel of the exclusive nature of the Agreement, **Plaintiff** receives distinctive packaging of the product in order to distinguish it from the sale of HQD CUVIE vape products distributed outside of the United States. See copy of **Plaintiff's** distinctive packaging of HQD CUVIE vape products in comparison to the "fake" packaging, or of product distributed outside of the United States, *Exhibit "B"* hereto.

4. On or about February of 2023, **Plaintiff** began distributing the HQD CUVIE vape products/electronic cigarettes to **Defendant**.

5. At all times material hereto, **Defendant** was duly and specifically advised of the exclusive nature of **Plaintiff's** distribution of the HQD CUVIE vape products/electronic cigarettes. See **Plaintiff's** promotional materials announcing **Plaintiff's** exclusive rights to the HQD product attached hereto as *Exhibit "C"*. The promotional materials began being circulated at the time it entered into the Agreement with Shenzhen.

6. During the next three (3) months, **Defendant** purchased an average of \$67,000 in monthly HQD CUVIE vape products without fail. See purchase log attached hereto as *Exhibit "D"*.

7. On or about June of 2023, however, **Plaintiff** noticed that **Defendant** had stopped purchasing the HQD CUVIE vape products and/or had significantly reduced the amounts purchased from the quantities it had traditionally done with no explanation to **Plaintiff**. See purchase invoices attached hereto as *Exhibit "E"*.

8. On or about August 23, 2023, an investigation by **Plaintiff** at **Defendant's** warehouse revealed that **Defendant** had purchased illicit product, or more particularly product not designated for sale in the United States, from someone *other* than **Plaintiff**; contrary to **Defendant's** knowledge that it could only purchase HQD CUVIE vape product from **Plaintiff**.

9. **Plaintiff's** shipments come in boxes which are labeled as having been shipped directly from the manufacturer in China, have particular markings such a "tobacco", or "menthol", amongst other notable markings. See **Plaintiff's** boxes attached hereto as *Exhibit "F"*. The images are dated October 25, 2023.

10. **Defendant's** shipments come in boxes distinctively different than those delivered to **Plaintiff**; i.e. delivery labels reference shipment from other locations such as Dubai. See *Exhibit "G"*. The images are dated in or about August, 2023.

11. It is now readily apparent that **Defendant's** plan is to continue to interfere with **Plaintiff's** rights both in terms of the Federal trademark registrations it owns, its State trademark registrations, and its exclusive contractual right to distribute HQD CUVIE product in the United States (and this District) and to compete with **Plaintiff** to this end. Accordingly, **Plaintiff** has been left with no choice, but to seek relief from the Court to protect its company's hard work, its brand, and its consumers.

FACTUAL BACKGROUND

20. On or about September 5, 2020, **Plaintiff** entered into an exclusive and evergreen distribution agreement with Shenzhen Hanqingda Technology Co., LTD., a manufacturer from China, for the exclusive sale and distribution of the "HQD CUVIE" vape products/electronic cigarettes throughout the United States. See copy of Exclusive Agency Sales Contract attached hereto as *Exhibit "A"*.

21. As part and parcel of the exclusive nature of the Agreement, **Plaintiff** receives distinctive packaging of the product in order to distinguish it from the sale of HQD CUVIE vape products outside of the United States. See copy of **Plaintiff's** distinctive packaging of HQD CUVIE vape products set forth in *Exhibit "B"* hereto.

22. The side-by-side comparison of the product packaging illustrates how **Defendant's** packaging incorporates and imitates elements and the overall composition of **Plaintiff's** distinctive HQD CUVIE Marks.¹

23. As a consequence of the foregoing, **Plaintiff** has invested significant resources in developing and printing its business access the United States under the HQD CUVIE Mark and branded name.

24. It is next to impossible to enter into a store anywhere in Florida, if not the United States, where vapes are sold without seeing the HQD products not only being advertised on signage but sold therein. Thus, **Plaintiff's** great expense and effort have caused vape products bearing the "HQD" and "CUVIE" marks to become so ubiquitous within the State of Florida that the marks have become famous.

25. On or about August 13, 2023, **Plaintiff** sought and obtained Florida Trademark Registration for HQD, Number T23000000675, said mark having been used legally, exclusively in connection with electronic cigarettes and oral vaporizers in many states, including but not limited to Florida. See *Exhibit "H"*.

26. As a consequence of the fame of the mark, as well as the Federal and State registrations thereon, the purchase of "HQD" electronic cigarettes and oral vaporizers in the State of Florida can only be effectuated through **Plaintiff's** company, or **Plaintiff's** companion company operating under the same management and control, NEPA 2 WHOLESALE LLC, owner of Florida Registration for HQD CUVIE PLUS, Number T23000000753. See *Exhibit "I"* attached hereto.

27. In connection with the Agreement, **Plaintiff** receives distinctive packaging of the product in order to distinguish it from the sale of HQD CUVIE vape products outside of the United

¹ Moreover, the packaging shows the distinction between the product authorized for sale in the United States and that not authorized for sale in the United States.

States, said packaging bearing one of three of **Plaintiff's** trademarks "CUVIE" (USPTO Trademark Registration Number 7165966, "CUVIE AIR" (USPTO Registration Number 7025651), "CUVIE PLUS" (USPTO Registration Number 7025650), or "CUVIE PRO" (USPTO Serial Number 97378110 (Allowed and pending). See copy of **Plaintiff's** distinctive packaging of HQD vape product and registration set forth in *Exhibits "J", "K", "L", and "M"* hereto.

28. Additionally, **Plaintiff's** interstate trademark property interest in HQD CUVIE PLUS is the subject of Trademark Registrations in the States of Colorado (Registration Number 20231905394), Georgia (Registration Number T-32037), Oklahoma (Registration Number 13444022), Oregon (Registration Number 52681), Rhode Island (Registration Number 20230900), Vermont (Registration Number M0009289), and West Virginia (Registration Number W2023091563873-607766), with others pending. See composite *Exhibit "N"* attached hereto.

29. In addition to the foregoing, as the exclusive Distributor, the protections of Shenzhen's Registration Number 5778947 for the HQD mark, inured to the benefit of **Plaintiff**. See *Exhibit "O"* attached hereto.

30. Notwithstanding the foregoing, upon information and belief, **Defendant** has sold the improperly obtained vape products/electronic cigarettes and intends to imminently sell same to other retailers and distributor customers.

31. The products advertised, offered for sale and sold by **Defendant** infringes upon **Plaintiff's** rights to not only the trademarks in questions, but its contractual rights to the product in question.

32. **Defendant** engaged in these acts with the knowledge of **Plaintiff's** rights and the willful intent to violate same.

33. **Defendant's** unlawful actions are having, and will continue to have, a substantial and adverse effect on United States commerce.

34. **Defendant's** wrongful acts and/or willful infringements have caused, and will continue to cause, irreparable harm to **Plaintiff** unless permanently enjoined, for which **Plaintiff** has no adequate remedy at law.

35. **Defendant** has profited and will continue to profit in the future from its unlawful actions.

36. **Defendant's** actions are causing and will continue to cause **Plaintiff** monetary damage in amounts presently unknown but to be determined at trial.

37. All conditions precedent to maintaining this lawsuit have either been waived, excused, or performed.

104. **Plaintiff's** distinctive "HQD" Brand Marks, "HQD" Brand Trade Dress, "HQD" Brand Product Slogan, and the "HQD" name as detailed above, create proprietary interests.

105. **Plaintiff's** distinctive "CUVIE" Brand Marks, "CUVIE" Brand Trade Dress, "CUVIE" Brand Product Slogan, and the "CUVIE" name as detailed above, create proprietary interests.

106. **Defendant** has deliberately and willfully attempted to trade on **Plaintiff's** longstanding and hard-earned goodwill in its "HQD" and "CUVIE" Brand Marks, "HQD" and "CUVIE" Brand Trade Dress, "HQD" and "CUVIE" Brand Product Slogan, and the "HQD" and "CUVIE" trade names, and the reputation **Plaintiff** has established in connection with its vape products and other smoking accessories.

107. **Defendant** has also deliberately and willfully attempted to confuse consumers as to the origin and sponsorship of products they are selling, by utilizing **Plaintiff's** "HQD" and "CUVIE" Brand Marks, "HQD" and "CUVIE" Brand Trade Dress, "HQD" and "CUVIE" Brand

Product Slogan, and the “HQD” and “CUVIE” names, to pass said products off as if sourced from **Plaintiff**.

108. **Defendant’s** conduct is likely to have caused appreciable confusion, mistake, or deception as to the affiliation, connection or association of **Defendant’s** “HQD” Products with the “HQD” Brand Products produced and sold by **Plaintiff**, and as to the origin, sponsorship, or approval of **Defendant’s** “HQD” and “CUVIE” Products with “HQD” and “CUVIE” Brand Products produced and sold by **Plaintiff**, all in violation of Florida common law.

109. **Defendant’s** unauthorized and tortious conduct has also deprived and will continue to deprive **Plaintiff** of the ability to control the consumer perception of its products offered under the “HQD” and “CUVIE” Brand Marks, “HQD” and “CUVIE” Brand Trade Dress, “HQD” and “CUVIE” Brand Product Slogan, and the “HQD” and “CUVIE” name, placing valuable reputation and goodwill of **Plaintiff** in the hands of **Defendant** without permission or approval of **Plaintiff**.

110. By its actions, **Defendant** has infringed against **Plaintiff’s** “HQD” and “CUVIE” Brand Marks, “HQD” and “CUVIE” Brand Trade Dress, “HQD” and “CUVIE” Brand Product Slogan, and the “HQD” and “CUVIE” trade names, deliberately and with the intention of wrongfully trading on the goodwill and reputation symbolized by **Plaintiff’s** “HQD” and “CUVIE” Brand Marks, “HQD” and “CUVIE” Brand Trade Dress, “HQD” and “CUVIE” Brand Product Slogan, and the “HQD” and “CUVIE” names.

111. Upon information and belief, **Defendant’s** use of the “HQD” and “CUVIE” Name, the “HQD” and “CUVIE” Products, sold in the “HQD” and “CUVIE” packaging and box graphic designs, injures **Plaintiff’s** commercial interest in its reputation and reduces **Plaintiff’s** sales of its products.

112. As a result of **Defendant's** conduct, **Plaintiff** has suffered substantial damages, as well as the continuing loss of the goodwill and reputation established by **Plaintiff** in its "HQD" Brand Marks, specifically the "HQD" Brand Trade Dress, "HQD" Brand Product slogan, and the "HQD" name.

114. **Defendant's** use of the "HQD" and "CUVIE" Names, the "HQD" and "CUVIE" Products, sold in the "HQD" and "CUVIE" packaging and box graphic designs, creates the false impression that **Defendant's** products originate from the same source as **Plaintiff's** competitive products.

115. Thus, **Plaintiff** is entitled to recover an amount equivalent to the profits that **Defendant** has derived and may continue to derive as a result of their unlawful misappropriation and infringement of **Plaintiff's** "HQD" and "CUVIE" Brand marks, specifically the "HQD" and "CUVIE" brand trade dress, "HQD" and "CUVIE" brand product slogan, and the "HQD" and "CUVIE" names.

WHEREFORE, Plaintiff demands judgment against the **Defendant** as follows:

- a. A preliminary and permanent injunction enjoining and restraining the **Defendant**, its respective agents, servants, employees, officers, successors, licensees, and assigns, as well as all persons acting in concert or participation with each and any of them, from interfering in any manner in **Plaintiff's** Exclusive Distribution Agreement trademark, and otherwise

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. - **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. NOTICE OF ALLOWANCE (NOA)

ISSUE DATE: Mar 21, 2023

U.S. Serial Number: 97378110
Mark: CUVIE PRO
Docket/Reference Number:

No opposition was filed for this published application. The issue date of this NOA establishes the due date for the filing of a Statement of Use (SOU) or a Request for Extension of Time to file a Statement of Use (Extension Request). WARNING: An SOU that meets all legal requirements must be filed before a registration certificate can issue. Please read below for important information regarding the applicant's pending six (6) month deadline.

SIX (6)-MONTH DEADLINE: Applicant has six (6) MONTHS from the NOA issue date to file either:

- An SOU, if the applicant is using the mark in commerce (required even if the applicant was using the mark at the time of filing the application, if use basis was not specified originally); **OR**
- An Extension Request, if the applicant is not yet using the mark in commerce. If an Extension Request is filed, a new request must be filed every six (6) months until the SOU is filed. The applicant may file a total of five (5) extension requests. **WARNING:** An SOU may **not** be filed more than thirty-six (36) months from when the NOA issued. The deadline for filing is always calculated from the issue date of the NOA.

How to file SOU and/or Extension Request:

Use the Trademark Electronic Application System (TEAS). Do **NOT** reply to this e-mail, as e-mailed filings will **NOT** be processed. Both the SOU and Extension Request have many legal requirements, including fees and verified statements; therefore, please use the USPTO forms available online at <https://www.uspto.gov/trademarks-application-process/filing-online> (under the "INTENT-TO-USE (ITU) FORMS" category) to avoid the possible omission of required information. If you have questions about this notice, please contact the Trademark Assistance Center at 1-800-786-9199.

Section 1(a): NO

Section 1(b): YES

Section 44(e): NO

GOODS/SERVICES BY INTERNATIONAL CLASS

034 - Electronic cigarettes and oral vaporizers for smokers; Electronic cigarettes for use as an alternative to traditional cigarettes; Smokers' mouthpieces for electronic cigarettes -- FIRST USE DATE: NONE; -- USE IN COMMERCE DATE: NONE

ALL OF THE GOODS/SERVICES IN EACH CLASS ARE LISTED.

Appropriate Specimens for Goods and/or Services: A trademark specimen should be a label, tag, or container for the goods, or a display associated with the goods. See TMEP §§904.03 et seq. A service mark specimen should be an advertisement, sign, brochure, website printout or other image that shows the mark used in the actual sale or advertising of the services. See TMEP §§1301.04 et seq. For an instructional video on what is an appropriate trademark or service mark specimen for a good and/or service, [click here](#).

Fraudulent statements may result in registration being cancelled: Applicants must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of any issued trademark registration. The lack of a bona fide intention to use the mark with ALL goods and/or services listed in an application or the lack of actual use on all goods and/or services for which use is claimed could jeopardize the validity of the registration, possibly resulting in its cancellation.

Additional information: For information on filing and maintenance requirements for U.S. trademark applications and registrations and required fees, please consult the USPTO website at <https://www.uspto.gov> or call the Trademark Assistance Center at 1-800-786-9199.

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
